THIS FORM MUST BE COMPLETED AND SENT TO THE DEPARTMENT OF ANATOMY, PATHOLOGICAL ANATOMY AND HISTOLOGY OF THE FACULTY OF MEDICINE AT THE ADDRESS AT THE TOP OF THIS FORM, ALONG WITH A PHOTOCOPY OF THE DONOR'S AND THE WITNESS'S IDENTITY CARD OR PASSPORT. PLEASE TURN OVER

CONSIDERATIONS:

- 1- **The donor's closest relatives must be informed about this document, so that in the case of the donor's death they can telephone the numbers shown as quickly as possible.**
- 2- **Unfortunately we can only accept corpses from deaths which occur on the island of Tenerife, due to the costs of transporting the corpses from other islands. If the death occurs outside the island of Tenerife the relatives can contact the nearest medical faculty where they will receive the same attention.**
- 3- **When the death occurs it is recommended that a copy of medical records of the deceased is included together with the rest of the documentation for the donation.**
- 4- **No medical faculty will accept a donation in the case of violent, accidental or suspicious death; as well as in the case of death resulting from a high-risk infectious disease (hepatitis, AIDS/ HIV, Jakobs Creutzfeldt's disease and other highly infectious diseases).**
- 5- **In the case that you are making a simultaneous body and organ donation, the former will always take preference except for eye donations which can be simultaneous.**
- 6- **Other reasons for not accepting the body are as follows: a recent amputation, extensive surgery, obesity and emaciation.**

****Should you renew your passport, please send a copy of the new passport to this department quoting the Registry number at the top of the front page.***
